Happy Fall Everyone! As progress continues on the Rapid Summerhill project, our team is focused on more ways to share updates with the community. This month we have been focusing our outreach efforts on neighborhood association meetings and outreach events for local students and community members.

Our team is still coordinating with the utility agencies and the City of Atlanta to finalize the details of the shallow utility work along Hank Aaron Drive between Ormond Street and Ridge Avenue. We're working hard to finalize the new schedule and will share the updated details with you very soon. Thank you for your understanding and please stay tuned for more information!

## Construction Impacts:

Over the next month, construction will be concentrated along Hank Aaron Drive between Memorial Drive and Ormond Street as well as on Mitchell Street and MLK Drive between Ted Turner Drive and Capital Avenue. Please pay attention to posted signage and team members directing traffic as needed in these areas.

Community members can expect the following construction impacts:

- Construction noise during working hours from 7:00 am-4:00 pm
- Periodic lane closures
- New traffic patterns
- Traffic detours and delays
- Asphalt paving

- ADA ramp improvements
- Relocation of utilities
- Periodic sidewalk closures for reconstruction
- Tree removal & replacement *(in partnership with Atlanta Beltline and Trees Atlanta)*

Weather and timing play crucial roles in construction and some allowances are needed to keep the project on schedule. Some jobs may need to continue after scheduled hours when traffic is at its lowest, but these jobs will comply with local noise ordinances. If weather delays occur during the week, the construction team may need to work during weekends. Please note any posted signage for potential impacts due to these changes.

## Bus Stop Impacts

Several bus stops along Route 55 will be impacted by the construction of MARTA Rapid Summerhill. Bus stops that are covered with a red bag or are missing are temporarily closed due to construction and will not be served. If your bus stop is closed, please use the nearest open bus stop.

Several existing bus stops along the corridor will be intermittently impacted by construction. Please refer to the rider alert above, which is also posted at bus stops, for information about service to bus stops during construction.

## On-Street Parking Impacts:

'No parking' signs have been placed along the route to prepare for future resurfacing. Residents and guests in the area are advised to use private driveways, alleyways behind their homes or adjacent side streets. Vehicles parked in the outer lanes during working hours will be towed at the owner's expense. Please note all posted parking signage when choosing a parking spot. **Non-metered on street parking spots will be closed in the following locations:**

- Hank Aaron Drive between Fulton Street and McDonough Boulevard
- Mitchell Street between Ted Turner Drive and Capital Avenue
- MLK Drive between Ted Turner Drive and Capital Avenue

## Find Us in the Community:

The project team will be at the following events over the next month to hear from the community or share more information about Rapid Summerhill. If you would like the team to join your community event, please reach out with the details of your event to [RapidSummerhill@itsmarta.com](mailto:RapidSummerhill@itsmarta.com).

- 10/8/24: Atlanta Downtown Neighborhood Association
